MINDS @ COMSNETS 2020

MINDS @ COMSNETS 2020 is an applied data science forum. It aims to bring together researchers and practitioners to present their latest achievements and innovations at the cross-section of machine learning, systems, and networking. Keeping up with this goal, the second edition of this workshop is jointly chaired by Dr. Vijay Gabale (Infilect) and Dr. Prasant Misra (TCS R&I).

MINDS'20 workshop program will feature: 11 peer-reviewed research papers from leading institutes and R&D labs across the globe (IIT Hyderabad, NITK Surathkal, PES University, Miami University, University of Minnesota Twin Cities, TCS Research & Innovation, Chongqing University of Posts and Telecommunications, Shiv Nadar University, DIT University, IIT Ropar, Sree Vidyanikethan Engineering College, University of Hyderabad, IBM Research, Mälardalen University); 1 keynote talk from an eminent voice in the field of data analytics (from Analytics Vidya); 3 invited talks from women technology leaders (from Infilect, Microsoft Research); and a "Birds of Feather" session to discuss various aspects relating to data Science as a profession.

Putting together MINDS'20 was a team effort. First and foremost, we thank the authors for their valuable contribution, and the technical program committee for their very hard work in reviewing and providing their feedback on the papers. We are grateful to all the invited speakers for devoting their valuable time and sharing their perspectives on this workshop theme. Finally, we thank the organization committee of COMSNETS 2020 for their appreciation and support provided in hosting this workshop.
