

# [COMSNETS Tutorials](#)

## Call For Submissions

The 15<sup>th</sup> International Conference on COMmunication Systems and NETworkS (COMSNETS) will be held in Bangalore, India, during January 3 - 8, 2023. For this premier international conference, we invite tutorials from experts in their fields. Tutorial topics should be within the scope of COMSNETS that includes, but is not limited to, advances in communication systems/networks, Internet of things, edge/cloud computing, applications of machine learning in communication systems/networks, and information security/privacy.

Tutorials should aim to educate the audience on emerging topics. Presenters can choose a suitable format for the tutorials, such as presentation or hands-on training. We encourage the tutorials to be interactive. The preferred duration of a tutorial should be 3 hours. We will also consider proposals for 6-hour tutorials.

## Submissions

**Submission Link:** <https://edas.info/newPaper.php?c=29769>

We solicit an abstract for the tutorial. The abstract should be at most 3 pages long. It should adhere to the same [submission guidelines](#) as those for a paper submission to the main conference. Abstracts that do not adhere to the guidelines will be rejected without review. The abstract must include the following:

- Motivation
- Outline and topics covered
- Format of tutorial, e.g., presentation and/or hands-on training
- Intended audience of the tutorial
- Requirements for the attendees, e.g., access to certain software
- Biography of the presenter including his/her experience with the tutorial topic
