Welcome to Workshops @ COMSNETS 2023! We are hosting six incredible workshops:

- [Machine Intelligence in Networked Data and Systems (MINDS)](#)
- [Cyber Security and Privacy Workshop (CSP)](#)
- [Networking Humanitarian Technology for Healthcare (NetHealth)](#)
- [Standards-driven Research (SDR)](#)
- [Testbeds for Advanced Systems Implementation and Research (TASIR)](#)
- [Connected Vehicles & Autonomous Driving (CVADs)](#)

Each individual workshop is being chaired by the experts of the respective workshops' theme namely Sumit Darak (IIIT-Delhi, India), Muntasir Rahman (Microsoft Research, USA), Sirisha Rambhatla (University of Waterloo, Canada), Yuval Elovici (Ben-Gurion University of the Negev, Israel), Sachin Lodha (TCS Research, India), Ashwini Appaji (IEEE-Bangalore, India), Ashwathi Nambiar (Dozee R&D, Bangalore, India), Radha Krishna Ganti (IIT Madras, India, Satish Jamadagni (RIL Jio, India), Jeongho Jeon (Samsung, USA), Arzad Alam Kherani (IIT Bhilai, India), Serge Fdida (Sorbonne Université, France), Manu Gosain (Northeastern University, USA), Alvika Gautam (Texas A&M, USA), Anil Sharma (Sony Research), MN Praveen Babu (IIT Hyderabad, India), and Rashmi Gopala Rao (Mathworks, India).

This year marks the maiden launch of two workshops - TASIR and CVADs. We are truly grateful to all the chairs of the workshops for their untiring efforts in being able to organize an innovative technical program and successfully organizing amazing keynotes, invited talks, and panel discussions. All the workshops had an overwhelming response with various national and international submissions. Across all the workshops a total of 48 papers are accepted after a rigorous review process and these will be included in the proceedings of COMSNETS to be published in the IEEE Xplore. Overall, the review process was conducted by a highly competent and diverse Technical Program Committee that comprised 88 members spanning across academia and industry from all over the world.

We would like to thank the COMSNETS Steering Committee for giving us the opportunity to serve as the Overall Workshop Co-Chairs for COMSNETS 2023. We wish good luck to all the workshops and hope of having a successful hybrid event. We look forward to meeting you all during the conference.

Sincerely,

Dheryta Jaisinghani
