Instructions for Camera-Ready Paper Submission

Please note that camera-ready papers (https://www.comsnets.org/camera_ready.html) are due by **December 10th, 2024 AoE**. No extensions will be granted once the submission site closes, no exceptions. Papers not adhering to the specified format or with fewer than 4 fully completed pages will not be included in the proceedings. Additionally, all accepted papers must be presented in person, with each paper accompanied by at least one Workshop registration.

1. **The recommended format must be used. Please use the Word / LaTeX templates given on the IEEE Website [here](#).**

Kindly ensure that:

- No pictures of the author or biographies appear anywhere in the manuscript.
- Page number and volume of publication at the top header should NOT appear in camera ready (as given on Latex template on Linux/Unix).
- The final manuscript **does not exceed 6 pages** for full paper including references. Submissions must adhere to a 6-page limit, single-spaced, which includes figures and tables.
- **Reviewers' comments should be addressed and incorporated into the final manuscript.**

IEEE XPlore PDF compliance must be checked at the IEEE PDF Xpress web site.

If your file is not Xplore complaint, it will NOT be published and will be removed from the COMSNETS 2025 conference proceedings and the IEEE Xplore database. To meet these requirements, you must ensure that your PDF file is compliant by using the IEEE PDF express system before you submit your camera ready paper to the HotCRP portal.

Steps to be followed **Before Creating a PDF**

- Proofread your source document thoroughly to confirm that it will require no revision.

Steps to be followed for **IEEE XPlore Compliant PDF generation**

- Please go to the IEEE PDF eXpress site at: <https://ieee-pdf-express.org/>
- Click on the link "Select the New Users - Click Here link"
- Enter the following:
 - The Conference ID: **63942X**
 - Your email address
 - A password

- Continue to enter information as prompted.
An Online confirmation will be displayed and an email confirmation will be sent verifying your account setup.
- For any assistance regarding PDF eXpress, please click on the following link: <https://ieee-pdf-express.org/External/UsingIEEEPDFeXpress>
Contacting PDF eXpress Support: Access the [Publications Support Center](#) for IEEE PDF eXpress. If you do not find an answer in the Find Answers tab, go to the Ask A Question tab. Your question will be forwarded to IEEE PDF Support and answered within 3 business days.

In order to prove that PDF Check has been passed, you must forward the confirmation mail received from the IEEE PDF eXpress service to comsnets.conference@gmail.com

2. If you pass the [IEEE PDF eXpress](#) check, you will receive a PDF file from IEEE PDF eXpress via e-mail. Approved PDF files will be stamped with an approval comment in the document properties by PDF eXpress. **Please ensure you upload this *received* camera ready PDF file by logging to your HotCRP account that was used to submit the review manuscript.**
3. **IEEE copyright form must be submitted** for each accepted paper (Conference, Workshops).
4. IEEE copyright form can be submitted online through the IEEE interface configured for COMSNETS 2025. Go to the [Submit Copyright](#) link, it will redirect to another form submission webpage asking *Author Names, Author Emails, Paper Title* for your submission. Please fill the necessary details and click on Submit Copyright Form button. This will take you to the IEEE copyright submission interface for your paper. From here, you can submit it electronically by clicking on the "Start" button and following the next instructions accordingly.
